## **Alphabox, ahead of its time design with minimalist form...**

---

Alphabox provides an innovative and ideal touch to living areas with perfect motion technology and modern lines.

## **Maximum Comfort**

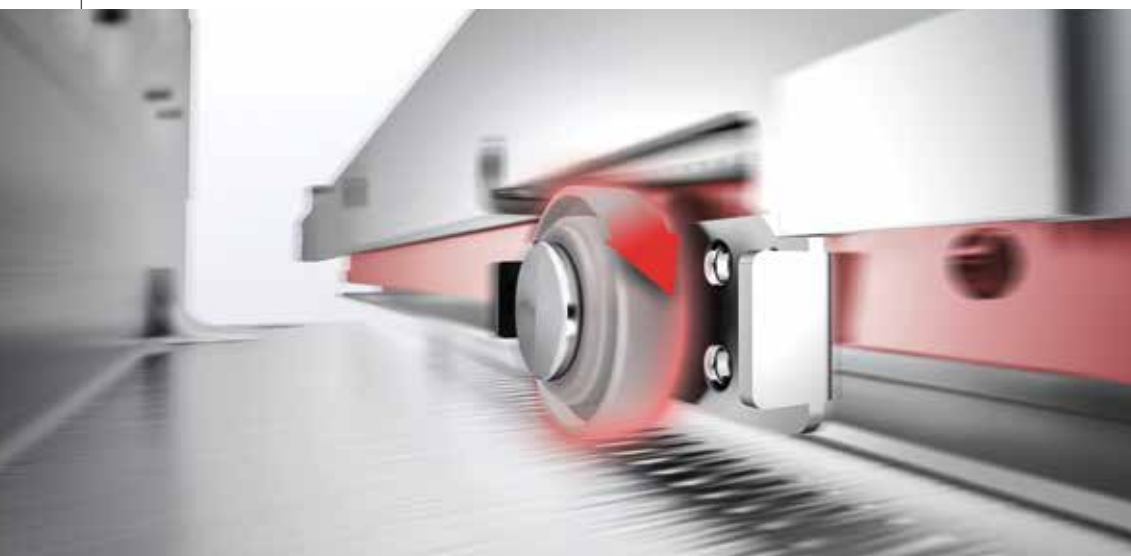

---

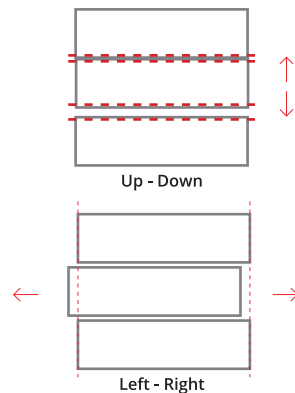

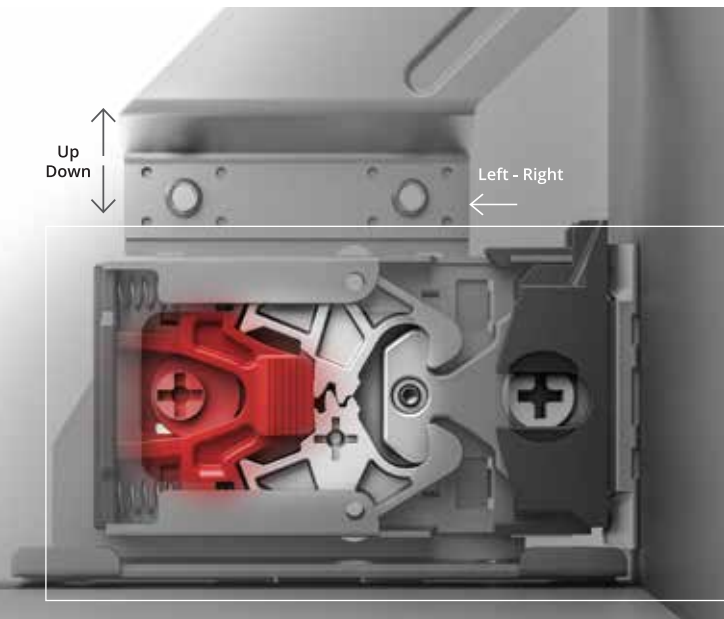

Sleek design maximizes space and comfort in drawers.

## Synchronization

Perfect movement feature with advanced synchronization technology.

## Height & Side

Height and side adjustment system provides precise gap alignment. Height and side adjustment can be done in an easy way with a special mechanism assembled inside the drawer.

## Full Extension Soft Close with Adaptive Damping

Thanks to Alphabox's state-of-the-art synchronization technology and impeccable opening and closing features, drawers open easily and close in complete silence.

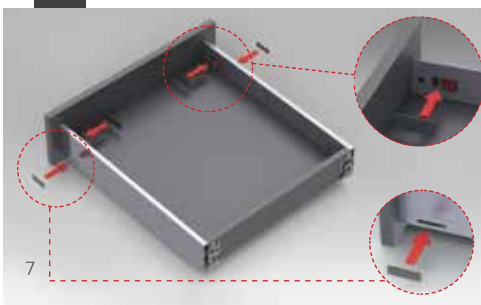

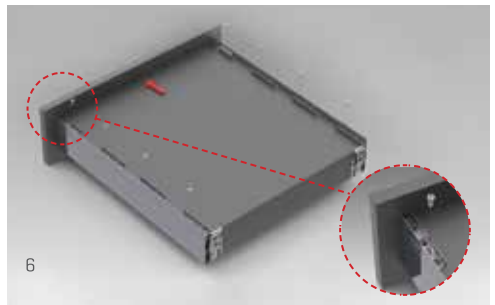

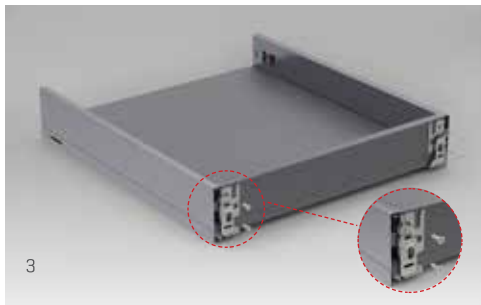

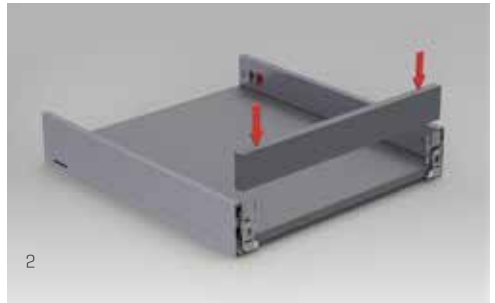

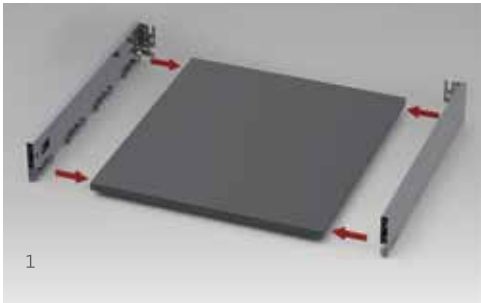

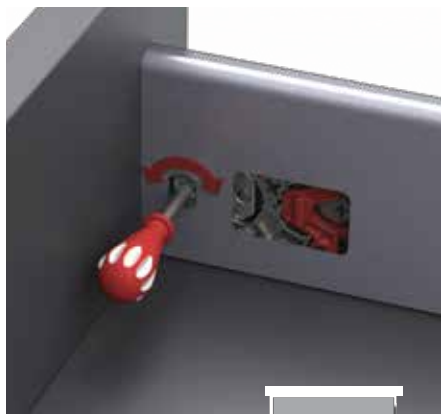

**INVARIA**  
**Inner Drawer Systems**

---

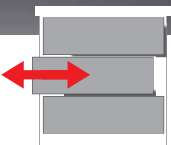

Alphabox offers unique and convenient solutions in inner drawer system with its elegant design.
